PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.181

Dear Sirs:

In response to the Notice of Abandonment dated April 20, 2004, Applicants submitted, via facsimile on April 27, 2004, a Petition for Revival, a Letter Regarding Cause, and a copy of the previously, timely submitted response to the Notice to File Corrected Application Papers. According to PAIR and our discussion with Examiner Patel in the Petitions Office, none of these documents have been entered in the case. Applicants are therefore respectfully requesting that this Petition to Withdraw Holding of Abandonment under 37 C.F.R. §1.181(a) be promptly entered and granted. Consideration and withdrawal of the holding of abandonment are requested.

REMARKS

In the Notice of Abandonment dated April 20, 2004, the present application was indicated as being abandoned for failure to timely file a proper reply to the Notice to File Corrected Application Papers mailed on December 11, 2003.

Applicants submit that On January 9, 2004, a copy of the Notice to File Corrected Application Papers and newly executed Declarations, including inventors' resident addresses, was faxed to the USPTO, thus the holding of abandonment is improper and may not be maintained. In this regard, Applicants respectfully submit evidencing materials as Attachments 1 and 2.

Attachment 1: a copy of the reply submitted on January 9, 2004, along the Auto-Reply Facsimile Transmission and the Facsimile confirmation.

Attachment 2: a copy of the Petition to Revive and all related documents that were promptly filed on April 27, 2004 (merely seven days after the Notice of Abandonment had been mailed).

The documentary evidence discussed herein and submitted herewith clearly establishes that Applicants timely filed a Response on January 9, 2004 to the Notice to File Corrected Application Papers dated December 11, 2003.

Accordingly, Applicants herein petition to withdraw the holding of abandonment set forth in the Notice of Abandonment dated April 20, 2004. Pursuant to MPEP § 711.03(c)(I), no fee is required for the present Petition. However, if there are any charges due with respect to this Petition or otherwise, please charge them to Deposit Account No. 07-0862.

For at least the reasons set forth herein above, the holding of Abandonment is improper and may not be maintained; withdrawal thereof and consideration of the reply to the Notice to File Corrected Application Papers are respectfully requested.

120644-1

The Examiner is invited to contact the undersigned at the below-listed telephone number regarding this Petition or otherwise concerning the present application.

Respectfully submitted,

LETTER REGARDING
CAUSE FOR UNAVOIDABLE ABANDONMENT

Sir:

This correspondence is submitted in response to the Notice of Abandonment dated April 20, 2004 (hereinafter "NOA"). The NOA cites the reason for abandonment as "Applicant's failure to timely file a proper reply to the Office letter mailed on December 11, 2003;" with the reason being "[t]he inventors address is not provided on the oath."

On December 11, 2003, the USPTO mailed a Notice to File Corrected Application Papers. The reason for this Notice was to supply a complete oath with inventors address. On January 9, 2004, a copy of the Notice to File Corrected Application Papers and newly executed Declarations, including inventors' resident addresses, was faxed to the USPTO. Included herewith are a copy of the:

- (1) Letter in Response to Notice to File Corrected Application Papers;
- (2) Declarations;
- (3) Facsimile transmittal;
- (4) Transmittal confirmation from the fax machine; and
- (5) Auto-Reply Facsimile Transmission confirmation from USPTO.

120644-1

Considering that, within the one month period for response, a response to the Notice to File Corrected Application Papers was filed, as is evidenced by the facsimile confirmations, Applicants "timely file[d] a proper reply to the Office letter mailed December 11, 2003." There was no delay. Furthermore, since Applicants timely filed the required reply in the allotted time period, abandonment of the application due to failure to reply was unavoidable on the part of the Applicants.

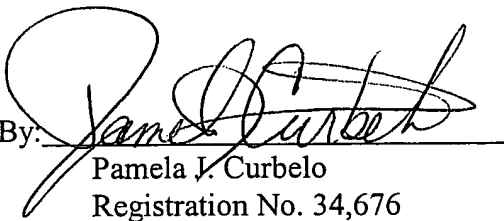

Applicants hereby petition and request revival of the application. Since there was no delay in filing the response to the Notice to File Corrected Application Papers, the entire "delay" was unavoidable. Applicants also note the timely reply to the Notice of Abandonment, which was mailed April 20, 2004, and is being responded to on April 27, 2004.

It is also noted that an RCE and Amendment filed in the above-identified application on January 5, 2004 has not been noted to date in PAIR.

If there are any additional charges with respect to this Letter, or otherwise, please charge them to Deposit Account No. 07-0862.

Respectfully submitted,
